

NTL

Services & Solutions

National Coverage with Local Care - We put the "PLUS" in Logistics

NTL (National Truckload) provides regional and national truckload services. With our brokerage services, we can provide nationwide coverage for truckload, LTL, and expedited transportation needs.

- Operating equipment
 - Over 40 company trucks
 - Dry vans, flatbeds, step decks, step deck conestoga
 - Triple axel lowboy step deck, double drop RGN
- Areas of service
 - 48 States, Coast-to-Coast, Border-to-Border
 - Cross-Border U.S./Canada/Mexico
 - Standard and Expedited service
 - LTL and truckload brokerage services
- Locations
 - Erie, PA
 - Lexington, NC

Our NTL facility in Erie, PA also provides industrial painting services, heavy vehicle maintenance and repair, and customized crating solutions. The facility is big, clean and is uniquely designed for large, heavy machinery and equipment. At this facility we've painted everything from train cars, to truck trailers, to engines, to wind turbines. Our industrial-sized forklift can even pick up and move equipment weighing up to 65,000 pounds!

NTL (National Truck Load) is a licensed asset-based and brokerage provider of truckload and less-than-truckload (LTL) transportation, warehousing, industrial painting, crating and packaging, and equipment maintenance services. Founded in Erie, PA, with an additional facility in Lexington, NC, today it has a diverse mixture of people and equipment with a strong focus on providing dedicated solutions.
